DANCE FLOOR (4 sq. ft. per person)

- 12 couples = 9' x 12'
- 16 couples = 12' x 12'
- 20 couples = 12' x 15'
- 25 couples = 15' x 15'
- 30 couples = 15' x 18'
- 40 couples = 18' x 18'
- 50 couples = 18' x 24'
- 75 couples = 24' x 24'
- 100 couples = 30' x 30'

PIPE & DRAPE

- Pipe and Drape has many uses, trade show booths (which includes a 8' back wall and two 3' tall side rails), room dividers and to conceal equipment or unwanted areas. The possibilities are endless!
- Standard individual sections come in 3' and 8' high.
- Extended individual sections come in 10' to 14' high.
- Section lengths are 6', 8' and 10'.
- Pipe and Drape is not recommended for outdoor use.

4' x 4' BILJAX IN/OUTDOOR STAGING

- The Biljax stage is comprised of 4' x 4' sections.
- Section heights start at 4" and go up to 60".
- Sections lock together or stand individually and can be set on unlevel surfaces.
- Biljax staging consists of a metal frame with a black painted top.
- Rounded stage deck, stairs, ramps, rails, carpeting and skirting are also available.

4' x 8' WENGER INDOOR STAGING

- The Wenger stage is comprised of 4' x 8' sections.
- Section heights are available at 6", 8", 12", 16" and 24".
- Sections stand individually and clip together.
- Wenger staging consists of black vinyl tops with aluminum frame and legs.
- Sections can be used as risers.
- Stairs, rails, carpeting and skirting are also available.
